

## Internal Job Offers for Students

**Student employment:** SAS informs students of employment opportunities on campus offered by different departments and during events organised on and off campus. Relevant documents must be signed (student part-time contract, event participation, student time sheet).

Students who meet the criteria for student part-time employment are allowed to work only 3 hours per day on a weekday and 4 hours per day on weekends and holidays, for a remuneration of AED 25 per hour. Students are not allowed to hold two positions at the same time.

**Voluntary actions:** Students may participate as a University representative or 'ambassador' in various events on or off campus such as festivals, Abu Dhabi Art, Dubai Art, conferences, recruitment campaigns and more. All volunteers are rewarded with certificates and/or gifts.
