

# Master in International Business and Languages

## Overview

The two-year Master in International Business and Languages teaches students to master the concepts and techniques relevant to international business whilst enabling them to gain extensive knowledge of core business strategies within a global economic context by learning crucial management concepts in different fields.

Today, successful business leaders must possess both the theoretical and empirical tools that equip them to make structured management decisions factoring various cultural, financial, commercial, social and political parameters. With this degree, students will grasp various International economics concepts that will enable them to understand the impact of how current issues influence international business. By learning the concepts of Business Law, students will enhance their comprehension of the legal environment, helping them to decipher legal documents and practices that structure businesses.

Students will strengthen their learning of Business Administration techniques as well as learn the processes of international operations in all their aspects. Additionally, students will refine their knowledge of the techniques and methodologies of Applied Research as well as fundamental IT tools and their application in a business context. In parallel, students will develop the requisite managerial and critical thinking skills and knowledge needed in international and cross-cultural environments, learning how to understand Human and Organisational behavior, as well as the concepts of international corporate strategy.

The other goal of the programme is for students to gain an intimate understanding of a multicultural environment by undertaking courses in Languages and Civilisations, as well as Cross Cultural Management. English skills will be strengthened alongside one or two additional foreign languages including French, Spanish, German, Italian or Arabic at beginner, intermediate or advanced levels to cater for multi-lingual business environments.

The curriculum is delivered by visiting professors from France and the UAE. Our faculty have achieved worldwide acclaim and impart a thorough knowledge of International Business and Languages through lectures, teamwork, case studies, individual assignments, research studies and computer-based interactive business games.

## Programme highlights

*Students can pursue careers as analysts in leading global consultancy firms, product or country managers, or even expand their own businesses into different markets*

### **ENHANCING INDIVIDUAL & NATIONAL DEVELOPMENT**

Within the next decade, the UAE is poised to dedicate its focus towards socio-economic sustainability. The curriculum at Paris-Sorbonne University Abu Dhabi is crucial in creating and encouraging a new generation passionate to support the UAE's rapid and ambitious progress.

Given the rapid development of the region, career prospects are enormous for professionals with multilingual skills and the scope of the experiential learning opportunities at Paris-Sorbonne University Abu Dhabi will give graduates a competitive edge in their career anywhere in the world.

### **INTERNATIONAL RECOGNITION**

The Master degree in International Business and Languages is granted by Paris-Sorbonne University and is regarded as the same degree awarded in Paris. It is recognised worldwide and is the key step to an international career. The International Business and Languages curriculum has been ranked "A" by the French Agency of Evaluation of Higher Education and Research (AERES), which is the highest evaluation level possible.

### **A DUAL COMPETENCE**

The Master degree in International Business and Languages has a unique double accreditation by the French Ministry of Higher Education in both Management and Business Administration and Foreign Languages. Both qualifications will appear on the degree.

### **AN ALL-IN-ONE DEGREE**

The Master degree in International Business and Languages provides students from various disciplines with an "all-in-one" programme in International Management, similar to an MBA programme but with a specific emphasis on multilingual and multicultural skills and capabilities. Additionally, students will improve their knowledge and expertise of foreign languages.

### **ACCESS TO THE PARIS-SORBONNE PH.D. PROGRAMME**

This programme is the flagship of the Paris-Sorbonne School of International Business and Languages studies and can lead to access for the three year, non-residential doctoral programme in International Business and European Studies at the Paris-Sorbonne University.

# Structure

## INTERNSHIP

For nonworking students, Paris-Sorbonne University Abu Dhabi has integrated a mandatory internship in the first and second years. The internship will encourage critical thinking and improve students' reasoning abilities by blending academic theory with real life work experience. Students will benefit from a greater depth of experience working in a professional environment.

The internship also provides an excellent opportunity to gain crucial insights and improve access to various career opportunities in the region and beyond. Students will discover that this collaborative learning process can lead to enduring professional relationships, which will open doors and forge new career paths.

Depending on their profile and professional objectives and subject to the approval of the Programme Director, students may, in addition to the mandatory corporate internship, choose to do an extra linguistic or cultural internship.

- A Linguistic Internship (in Spain, Germany, France or Italy) at one of our partner institutions
- A Cultural Internship at the "Paris-Sorbonne Summer University" in July.

The thesis has to deal with a subject related to economic, linguistic, cultural or societal issues. This academic dimension is highly important for students who intend to complete their Ph.D.

## RESEARCH STUDY

At the end of the first year, students will be required to produce a specific Research Study on a topic of their choice (related to specific economic, social cross-cultural challenges or in Marketing and Management).

## MASTER'S THESIS

Students will be required to submit an extended essay based on their internship or professional experience or a research based thesis. Approval from the programme director is required.

The degree in International Business and Languages is taught in English and covers a total of four semesters across two years. At the end of this degree, you will have 120 credits. The exclusively designed course schedule includes evening and weekend classes in consideration of students who intend to combine their studies with their work.
