### **If I am student or a parent and I have questions regarding the reorganization of the University life during these 4 weeks**

Following the instructions of the Ministry of Education, all classes will be taught online for 2 weeks after the spring break. This means that the professors coming from France will not come to Abu Dhabi but do the classes from France, using the online learning system.

All the necessary information will be shared by the University and we invite you to OFTEN check your emails to stay updated.

### **How will classes be organized after the spring break?**

We invite you to OFTEN check your emails, as we will be communicating at a later stage regarding the organization of the classes.

The online classes guide will be provided soon.

### **Will the online classes be happening at the same schedule than regular classes?**

This information will be shared at a later stage.

### **Will the class stay online for a few days so I can listen to it again in case I missed a point ?**

This information will be shared at a later stage.

### **Will online learning attendance be registered?**

Yes, online attendance will be registered.

### **What to do if I am unable to connect for a technical reason? Who can I contact?**

In case you are unable to connect, you can contact:

- [helpdesk@sorbonne.ae](mailto:helpdesk@sorbonne.ae)
- E-space
- +971(0)26569123

We strongly recommend you make a test the week before the class by logging in on blackboard and following the steps mentioned in the online courses guide.

### **If I miss my classes because I am quarantined, how will it affect my attendance?**

You have to follow the procedures of the university in case of absence and provide a medical certificate.

### **If I have symptoms like of Covid-19 (like fever or cough ...) shall I inform the university? Who should I contact?**

The university does not need to be informed. You should refer to the instructions given by the Department of Health:

<https://www.doh.gov.ae/en/health-information/Coronavirus---COVID--19>

### **If I am diagnosed with Covid-19 while in the country or outside the country, shall I inform the university? Who should I contact?**

Yes,

- You should inform the university by contacting the Head of the Student Affairs Department :

Mr. Eisa Al Raesi

[Eisa.Alraeesi@sorbonne.ae](mailto:Eisa.Alraeesi@sorbonne.ae)

+971(0)507755876

- You should follow the instructions given by the Department of Health:  
<https://www.doh.gov.ae/en/health-information/Coronavirus---COVID--19>

### **Can we travel during the spring break?**

In conformity with the instructions of the Ministry of Health and Prevention, MoHAP and of the Ministry of Education, all citizens and residents should avoid traveling abroad. All the university members including students, will commit, in case they are returning from abroad, to make the required medical tests and to be home quarantined for 14 days until it is safe to return on campus. In case of confirmation of virus contamination, it is then required to go through health isolation in specific health facilities for safety reasons and to avoid contact with others. Students coming from abroad will not be allowed to enter the University facilities prior to this process.

For any questions related to quarantine process, duration and location, [you can contact the hotline Estijaba on 8001717](tel:8001717)

The list of travel ban and travel warning issued by the UAE Ministry of Foreign Affairs is available here:

<https://www.mofaic.gov.ae/en/Missions/Travel-Alerts-and-Warnings>

### **Do we have to cancel our trip if already booked?**

We strongly recommend you to postpone your trip.

You should note that if you carry on with your travel, you would bear the full responsibility of its consequences.

The university does not carry any responsibility.

### **If I am a student living at the residency, am I allowed to stay during the 4 weeks period?**

Yes, unless further instructions are communicated.

### **If I am a student living at the residency during the 4-weeks period, can I still use on campus facilities (sport building, library, and cafeteria)?**

Access to the sports building is strictly prohibited. You can still use the cafeteria and the library.

**If I am a student living at the residency and travelling inside the UAE during the spring break, can I leave my belongings at the residency?**

Yes, unless further instructions are communicated.

**Can I talk about the university and covid-19 on my personal social media or will it be considered as a cybercrime?**

You should not spread rumors on social media. You can refer to the official accounts of the UAE authorities to find the most updated information.
