Khady Ba is the Founder and Chairman of Der Mond Group, Abu Dhabi.

Khadijah

After his Bachelor degree, Jules pursued his Master degree in Finance (specialization in Financial Market and Risk Management) at the University Paris 1 Pantheon-Sorbonne as well as a professional training programme at the Continuing Education Center for Banking and Finance (CFPB) in Paris. He is currently working as Compliance Officer, Market Activity, for the CIC France.

Jules

Mai is Manager – Strategic Consulting, currently working at Jones Lang Lasalle within the Research and Strategic Consulting departments. Her Bachelor's degree in Economics and Management gave Mai an introduction to the field of Economics and enabled her to enlarge her knowledge in the field through a Master's degree in Banking and Finance obtained at SUAD. The courses in Finance and Economics along with her experience in the real estate sector have given Mai a solid base upon which she continues to build her career.

Mai

Ibrahim obtained a Master degree in Finance and Banking from the Sorbonne Graduate Business School (IAE) and he is working for Credit Agricole CIB London since more than 5 years. He is now Director – Head of Middle East Office Support Interest Rates.

Ibrahim
