

Students Campus Safety Guidebook

Mandatory Precautionary Measures & Guidelines

Mandatory requirements for all students to access the campus / attend on-campus classes

- Covid-19 Vaccination is essential for returning to campus
- Mandatory booster dose is mandatory for all vaccinated students, who have received 2 doses of the vaccine with the second dose being administered more than 6 months ago.
- Unvaccinated students will be allowed to physically attend classes on campus, with the obligation to conduct a weekly PCR test.
- Wear a facemask on campus at all times
- All students must present Covid-19 negative PCR test results not more than 96hrs to gain access to campus on the first day of the second semester resumption and continues PCR testing every 14 days. Same rule applies for continuous access.
- Must download Al Hosn App (the official UAE App for contact tracing) complete its registration process and log on to it
- Must scan Al Hosn app at the campus entrance showing green when placed on the QR Code reader, if the QR Code reader shows red, then entrance/access to campus shall be denied
- Do a daily health check before coming to campus including; check for any Covid-19 symptoms like temperature of more than 37.5degrees, cough, shortness of breath, sore throat, runny nose, loss of taste or smell, nausea, vomiting, difficulty in breathing or any flu-like symptoms. If you have any of these symptoms, please do not come to campus and kindly contact one of the covid-19 response management team member via email or teams call (afrah.mir@sorbonne.ae, 971 (0)2 65 69 359)

Covid-19 campus safety precautions and guidelines

- Everyone coming to campus is required to bring with them an extra facemask.
- Everyone on campus must always maintain a safe physical distance.
- Thermal cameras are installed at all campus building entrances; checking body temperature, if your body temperature goes beyond 37.5 degrees, access shall be denied. Students are allowed to use any of the designated entrances, Main campus Entrance and Entrance between building 2 & 3
- Everyone is required to frequently wash their hands for at least 20 seconds
- Students are allowed to use the prayer rooms with their own prayer rug, use of facemask and a safe physical distance
- Security will monitor occupancy limits in open area, enforce social distancing and the use of facemask, in case any attempt to violate covid-19 safety protocols
- Students are required to report any suspected case of Covid-19 on campus to one of the covid-19 response management team member via email or teams call:
afrah.mir@sorbonne.ae 971 (0)2 65 69 359

Residences Covid-19 safety precautions

It is important that every resident comply with these rules and stay informed of any changes in order to minimize the potential spread of Covid-19.

Services, amenities, and rules may change on an ongoing basis and at short notice, according to the developing circumstances and updates from local authorities.

Screening:

All SUAD residents are required be fully vaccinated, also scan their Al Hoshn app at the reception which must show green before granting access to the residence

Understanding symptoms:

Each resident must assess themselves on a daily basis for any Covid-19 symptoms; a list of Covid-19 symptoms can be found on [NCEMA's Website](#)

Self-assessment

A resident who is ill or believes that he has Covid-19 symptoms or have been exposed to Covid-19, must conduct a self-assessment of Covid-19 immediately **and call the clinic 24/7 number 0503764339** and the resident officer during working hours (please refer to the table "Covid-19 response management team members")

Getting tested

If a resident is exhibiting Covid-19 symptoms, resident must call the clinic 24/7 number. If it is after working hours, resident should self-isolate immediately inside his/her room, and wait for further instructions.

Self-isolation rules for students

While in self-isolation, a resident is prohibited from accessing or using common areas or shared residence facilities, including (but not limited to) laundry rooms, front desk, fitness rooms, study spaces and the kitchen

Individuals entering self-isolation accommodation (E.g. to retrieve groceries or meals) must wash their hands immediately before doing so, and wear a facemask at all times, maintain a safe

distance and avoid physical contact with others

Following signage

Residents must follow relevant signage and floor markings. Examples include (but are not limited) to occupancy limits, amenity space closures, and requirement to wear facemask or other recommended precautions.

Wearing masks

Wearing of mask is not required inside the residence room, however, when stepping outside of the room residents are required to wear a facemask.

Covid-19 quarantine and isolation

- **Positive and close contact cases shall quarantine for 14 days as per MOE guidelines and conduct PCR testing as per NCEMA guidelines**

Please visit the website for all latest updates on testing procedures from NCEMA

- **Isolation rooms on campus**

Isolation rooms are available and equipped in compliance with relevant government guidelines. We have isolation rooms in the clinic, residences, and the sports building.

NB: Above information may be changed or updated on regular basis as per latest updates and guidance from DOH, NCEMA and other regulatory authorities.

Covid-19 incident management on campus

Response management team handles all Covid-19 incident cases on campus and off campus, positive case and close contact cases. All Covid-19 incidents should be notified to the designated contacts of the Covid-19 response management team. After working hours for any emergency cases, residence students should call the clinic 24/7 number on 0503764339.

Covid-19 response management team member

Category	Email and teams call	Telephone contact during work hrs. (9:00am – 4:30pm)
Exposure on & off campus	afrah.mir@sorbonne.ae	T: +971 (0)2 65 69 359
Exposure in dormitory	sylva.hardan@sorbonne.ae	T: +971 (0)2 65 69 749

Covid-19 social responsibilities

As a community, all SUAD students and employees need to play their part in supporting the university and local authorities by adhering to the health and safety regulations and measures including:

- Wearing a facemask in offices, classrooms, cafeteria, and library, study spaces and common areas at all times
- Complying with safe physical distance on campus.
- Washing hands frequently for at least 20 seconds and if possible, carrying a portable hand sanitizer at all times
- Conduct a daily health check before coming to campus, check for any Covid-19 symptoms like a temperature of more than 37.5degrees, cough, shortness of breath, sore throat, runny nose or flu, loss of taste or smell, nausea, vomiting and difficulty in breathing. If you have any of these symptoms please do not come to campus and call the Covid-19 response management team
- We all need to watch out for each other, report any suspected case of Covid-19 on campus to the Covid-19 response management team
- All staff, faculty and students living, studying or working on campus must be tested every 14 days unless SUAD management announces further updates on the frequency of testing.
