Welcome to the
SUAD Community!

As you start this exciting new chapter of your life, you probably have many questions in mind. The orientation event will be your first step towards a smooth transition into the university, and it is the place where you can find answers to all your questions. All newly admitted students are required to attend this orientation event.

This event is dedicated to ensuring a seamless induction for new students, and helping to guide them in the right direction. During the event, you will explore academic offerings, learn about campus resources and get the opportunity to meet with the faculty and staff from your respective department as well as current students and new classmates.

The orientation event is your one-stop shop for everything you need to know and where you can get class schedules for the upcoming semester in addition to all the resources and materials that you need to kick off your journey at SUAD.
