Climbing

Sorbonne University Abu Dhabi has one of the best climbing facilities in the UAE with an eight metres lead wall and close to 200 square metres of bouldering space with a modern set of holds, Moonboard, peg and campus boards, and wide choice of training equipment (pull up and dip bars, hangboards, TRX and gymnastic rings). The gym is open to the public from Monday to Sunday, however for bouldering only on certain days.

Climbing is a great activity for everyone. Regular climbing practice will improve general fitness level, agility, flexibility, mental strength and self-confidence. Start your climbing adventure today!

Sorbonne University Abu Dhabi Climbing and Hiking Club

The SUAD Climbing and Hiking Club was established in 2022 at the Sorbonne University Abu Dhabi. It brings together students, graduates, and staff of the University, however despite the predominant academic character, the Club is open to all climbing and hiking not related to the academic community.

The club organises meetings with special guests once a month, but also gives the club members a chance to organise their own slide shows of their climbs and expeditions.

The SUAD CHC also offers courses run by the European certified instructor and coach. The club is linked to the discount system for different classes and access to the climbing gym offered at the SUAD and other gyms in the UAE.

Annual membership 100 AED.
