

## We're looking for:

Position Title	Part time Instructor: translation English-French
Department	Applied Foreign Languages- (LEA) International Business
Job Code	ACA-PT-HR-47-2022

### Job Description

- The instructor will teach translation courses in the 2nd and 3rd year of the Bachelor program in Applied Foreign Languages (26 contact hours per semester each).
- The translation courses aim at familiarizing students with the basic concepts of traductology and should enable them to develop in depth understanding of the linguistic characteristics specific to the two languages.
- Translation texts should be chosen from a variety of English language newspapers/websites, covering subjects related to the students' major (international business).
- Duties include the preparation of classes as well as correcting students' work.

### Profile (Minimum Qualifications, Minimum Experience, Job Specific Skills)

#### Minimum Qualifications:

Master's degree, preferably in French or English.

#### Minimum Experience:

Experience in teaching French or English as a foreign language (at high school or university level) or professional experience as a translator.

**Job-Specific Skills:** Excellent level in French and English (oral and written)

### Conditions

- Starting date: January 2023
