

SUAD Top- Level Athlete students

Preamble : Sorbonne University Abu Dhabi is setting up, through its Sports Department, a system for Top-level athletes and Good level athletes students and in accordance with the Circular of 30-1-2023 of the MESR – DGESIP.

Device :

- 1 - The university has created a certificate of Top- level athlete and good athlete who have graduated from Sorbonne University Abu Dhabi co-signed by the Deputy Vice-Chancellor, the Director of the Sports Department and the TLA (Top-Level Athlete) referent professor to facilitate the professional integration of students
- 2 - Cooperation agreements have been signed with the National Institute of Sport, Expertise and Performance (INSEP), the Regional Directorate for Youth and Sports. The French National Olympic and Sports Committee has officially recognized the courses offered by Sorbonne University.
- 3 - A charter for Top-level student athletes has been created. By signing it, the athlete undertakes to respect the ethics of competitive sport, about doping. He or She represents the university in university competitions.
- 4 - A TLA Student Contract
- 5 - A TLA referent teacher to guide and support you.

Study Accommodations :

The sports department helps its TLS (Top-level athletes) or GLA (Good-level athletes) to reconcile studies and high-level sports practice to carry out a double university (courses, tutorials, partials) and sports (training, internships, competitions) project in the best conditions of success.

In conjunction with the department concerned, adjustments can be proposed at the level of schooling: timetable, choice of tutorial groups, dates, and methods of exams, etc.

Beneficiaries :

- Top-level athletes registered on the ministerial list
- Athletes of good level; This status is obtained based on an examination of an application file.
- Dancers in training at national conservatories.

Applications and admissions :

The application form must be submitted **before September 30th (for new joiner) and before September 10th (for existing students).**
